Sir or Madam:

1. My name is Jonathan O. Owens, Esq. I am one of the attorneys at Haverstock & Owens LLP for the assignee of the above-captioned U.S. Patent application.
2. It is the regular practice of Haverstock & Owens LLP to maintain the docketing system for applications of the U.S. Patent and Trademark Office.
3. Although the assignees, Sony Corporation and Sony Electronics, Inc., intended to respond to the office action in a timely fashion, inexplicably, the deadline for filing a Request for Continued Examination for the above-captioned application was unintentionally missed.
4. From my communications with the assignee, the assignee fully intended not to abandon the application, and specifically wished to file a Request for Continued Examination.

Respectfully submitted,
